No. 386.

Subject: Overseas Imports - Establishment in connection with the receipt of Kolar.

Sir,

I have the honour to forward herewith a copy of letter No.59/46 dated 5th July 1946 received from the Deputy Commissioner, Kolar, stating that he has entertained the marginally noted additional staff from 1st June 1946, to cope with the work of storage and distribution of the overseas wheat and wheat flour allotment to his district during May and June 1946. He has requested approval to the action taken by him and also sanction for continuing the staff upto the end of December 1946.

1. One depot clerk on Rs.40/- p.m.
2. One Special Revenue Inspector on Rs.50/- plus Rs.10/- p.m.
3. Two Peons on Rs.10/- each p.m.
4. Two Watchmen on Rs.8/- each p.m.

2. As seen from the proposition statement the existing staff is quite inadequate and the additional staff entertained is quite necessary in view of the huge supplies expected in the District Headquarters of Kolar from imports.

3. In these circumstances, I request you to kindly obtain and convey early sanction of Government to the appointment of the additional staff for a period of seven months from 1st June 1946 and to the action taken by the Deputy Commissioner in having employed the said staff already, in the interests of Government work.

Sir,

Subject:- Entertainment of special establishment in connection with the receipt of foreign consignments at Kolar.

.....

With reference to your Memo No.A.1.C.5941/45-46 dated 21-5-1946 issuing despatch instructions regarding 1000 tons of wheat flour for May 1946 to be received at Bowringpet and your letter No.B1.C.5571/45-46 dated 2nd June 1946 regarding the allotment of 1500 tons of wheat and 1500 tons of Wheat flour for the month of June 1946, etc., I have the honour to state that for want of adequate godown accommodation at Bowringpet, a large portion of the consignment had to be moved to Kolar from Bowringpet rail head itself pending measurement and filling into standard bags before despatch to the needy areas. This necessitated the commandeering of half a dozen buildings for storage purpose and special staff had to be entertained to receive the consignments and account for them. In view of the urgency of the matter, I have permitted the Officer Incharge of the Reserve Depot, Kolar to entertain the marginally noted additional establishment with effect from 1-6-1946 to cope up with the additional work as a temporary measure. The stocks now held at Kolar are 14,000 bags of wheat, Wheat flour and Assam rice.

1.One Depot Clerk on Rs.40/-.
2.One Special Revenue Inspector on Rs.50/- plus 10/-.
3.Two peons on Rs.10/- each.
4.Two watchmen on Rs.8/- each.

In these circumstances, I request you to kindly approve the action taken and obtain the sanction of Government to this additional establishment entertained from 1st June 1946. This is required to be continued up to the end of December 1946 for the present. It will be however disbanded as soon as the distribution of the stuff now received is completed and godowns released.

A proposition statement is also herewith enclosed for reference.
